

“Finding information is so much easier now. Bam—it’s all right here.”

**Productivity is about finding information—not searching for information.** That’s why so many agencies are thrilled they’ve found ReferenceConnect, the next generation of Sage. Our online reference library gives you immediate access to a world of vital insurance information, all in one easy-to-use interface. Enhance your team’s knowledge, accuracy and productivity. Find out about our comprehensive, user-friendly online library at [iheartvertafore.com/referenceconnect](http://iheartvertafore.com/referenceconnect).
